## MISSION STATEMENT

**We are called to grow in the Gospel values of Jesus in pursuit of spiritual, social, and academic excellence.**

*Revised: Fall, 2015*

## BELIEFS STATEMENT

**St. Mary Byzantine Catholic Elementary School strives to prepare our students for life-long learning through a desire to live by Christian moral principles, a commitment to social responsibility, and developing self-discipline. We educate students by providing a strong academic program, extra-curricular activities, service opportunities, and a Byzantine Catholic religious experience. Our philosophy calls students to grow and live in the Gospel values of Jesus.**  
**Revised: Fall, 2015**

## PHILOSOPHY OF CATHOLIC EDUCATION SOURCES

WE BELIEVE that a philosophy of Catholic education begins with faith. God, in creating us, gifted us with life, became one of us in Jesus, and in The Person of the Spirit awaits our response to this unconditional love. Jesus remains within the human community witnessing and sharing the Good News in every age and with all people. We return God's love by a sincere response to conscience and by membership in the Church. It is from this perspective that the education ministry of the Catholic community flows.

## CATHOLIC EDUCATION

WE BELIEVE that education, which is Catholic, begins with life in the heart of the family. Parents, the primary educators, seed and nourish values deeply human, deeply spiritual. Affirmed, treasured and supported by the loving witness of Christian faith communities, the child continues a life-long response to God's love through involvement in the academic, cultural, social, and civic concerns of daily life.

## CATHOLIC SCHOOLS

WE BELIEVE the Catholic school exists to teach the mandate of Jesus: "Love one another as I have loved you." This is the goal of all Catholic education. The school community, in sharing a global vision within an atmosphere designed to celebrate and practice love of God and neighbor, is the most effective means available to the Church for the education of youth. This vision motivates students to grow academically, physically, culturally and socially. Among the values prized in the Catholic school are self-worth, self-discipline in the search for a moral way of life, and appreciation for our American heritage. With deep concern for their sisters and brothers, young people in Catholic day schools form their personal response in truth, peace, justice and love.

**PHILOSOPHY AND GOALS**  
**ST. MARY BYZANTINE CATHOLIC ELEMENTARY SCHOOL**

We believe that St. Mary Byzantine Catholic Elementary School is an expression of the mission to teach entrusted by Jesus to the Church he founded. Through education we strive to prepare our students to hear the message of hope contained in the Gospel, and to base their love and service of God and others upon this message. St. Mary Byzantine Catholic School is committed to providing a safe environment where students are instructed in human knowledge and skills as well as truths and values. Learning and living are integrated in the light of faith as experienced by our Byzantine Catholic traditions in order to permit each student to become a mature and responsible Christian fully utilizing his/her God-given capabilities.

We proclaim the teachings of Christ in order to build a life of faith in each student, to promote a spirit of Christian community in order to strengthen a sense of belonging, and likewise, to lead students to realize the need they have to serve their fellow human beings.

We respect the individuality of each child and accept the responsibility to develop each child's intellectual faculties according to his/her abilities insofar as we are capable of doing so.

**In order to respond to and proclaim the Gospel message, our students should:**

- Develop a sense of religious values and grow in personal prayer life
- Form Christian attitudes
- Develop a love and appreciation of the practices and spirituality of our Byzantine Catholic tradition.

**To foster Christian community, our students should:**

- Become aware of the need for love, understanding and justice
- Appreciate the sacraments and Liturgy as it helps for building a community based on faith
- Develop respect for the worth and dignity of every person
- Acknowledge his/her own rights and responsibilities as well as the rights and responsibilities of others.

**In order to put their understanding of the Gospel message and Christian community into action, our students should:**

- Become capable of actively participating in decision-making on all levels
- Recognize the benefits of giving and sharing.
- Freely offer the use of his/her gifts, abilities and talents to assist others.

**St. Mary Byzantine Catholic School strives to develop the whole student spiritually, academically, physically, socially and emotionally. Our students should:**

- Act on Christian principles that are nourished by the liturgical and sacramental life of the Church;
- Become familiar with the traditions and practices of our Byzantine Catholic church;
- Develop self-discipline;
- Use communication skills in the areas of language arts and reading;
- Use mathematical skills effectively in life situations; integrate technology
- Be aware of fundamental scientific principles at work in the natural world;
- See the need for a balance between social stability and social change;
- Accept responsibility for personal health habits;

- Develop a sound body through physical exercise and activities; and

## **STATEMENT OF AFFILIATION**

St. Mary Byzantine Catholic Elementary School is affiliated with St. Mary Byzantine Catholic Church as part of the educational ministries. The church and school belong to the Byzantine Catholic Eparchy of Parma. The Pastor and lay teachers presently staff the school.

## **FACULTY**

All teaching staff holds current State of Ohio License for their respective assignment.  
All teaching staff holds Diocese of Cleveland Religious Certification.  
All faculty & staff are trained in Safe Environment issues.

## **LEARNING OBJECTIVES**

To create St. Mary Byzantine Catholic Elementary School's academic program, it uses the curriculum guides developed by writing teams working with the Diocese of Cleveland Office of Catholic Education. Curriculum guides are based on State of Ohio models and provide the foundation for instruction while supporting high expectations for learner performance. The curriculum includes instructional and performance objectives that guide the teacher in preparing effective unit plans and appropriate learning sessions, with emphasis on proficiency and continuous progress towards the achievement of competencies. The academic program provides a basis for assessing learner progress and the need for intervention. It provides the flexibility to be adapted and/or extended to meet the diverse styles and paces of learners.

## **SHARED RIGHTS AND RESPONSIBILITIES**

The classroom teacher represents authority for many hours of the child's day, and for many years of his/her life. Thoughtless criticism on the part of either parent or teacher in front of the child weakens his/her response to all authority. All of us make mistakes; maturity in handling each other's weaknesses can offer a child his/her greatest lesson in charity and tolerance. If you question a judgment made on the part of a teacher, please do not take your child's part until you have called and heard the entire story, including the teacher's point of view. Telephone calls made with courtesy and sincere interest will always be honored. Anger and impoliteness will not be accepted.

In this same spirit, Parent/Teacher Conferences should be conducted in an atmosphere of openness and sincere dedication to providing for the best interest of the student. Anger and impoliteness will not be accepted as an appropriate means of communication.

## STUDENT RESPONSIBILITIES

The following lists some of the obligations of the students:

- Pray Always
- Respect one self by always striving to be the best version of self.
- Have respect for the rights and property of others.
- Be respectful at all times towards teachers, staff, volunteers, visitors and fellow students.
- Be self-controlled at all times. Do not disrupt school activities.
- Attend school regularly and be on time.
- Students need to complete class work and assigned homework on time.
- Read the student handbook and discuss it with your parents. Know what is expected of you, and follow the rules and regulations. Students will be held accountable for their actions.
- Students need to have necessary supplies for class and remind parents when supplies need to be replenished.
- Be clean and well kept and proud of your appearance.

## PARENT RESPONSIBILITIES

- Pray Always
- Guide your child from the earliest years to develop socially acceptable standards of behavior, to exercise self-control, and to be accountable for his/her personal actions.
- Teach your child, by word and example, respect for the law, for school rules and regulations, and for the rights and property of others.
- Know and understand the rules your child is expected to observe at school and to be aware of the consequences for violations of these rules.
- Encourage in your child a desire to learn and respect self and others.
- To do their best, students need to come to school well rested and have a nutritious start to the day.
- Be sure your child attends school daily and is on time and picked up on time.
- Make certain that your child is clean and dressed appropriately.
- Follow the traffic pattern for everyone's safety.
- All parents must first report to the office upon entering the school and sign-in.
- Report any strangers seen loitering around the school or en-route to school.
- Submit absence notes when student returns to school. If there is no note, even if a phone call is made, the student is considered to have an "unexcused" absence.

**In order to keep our records UPDATED AND CURRENT, we request that parent(s) notify the office or the principal when:**

- There is a change of your home address or phone number,
- There is a change in your marital status or name,
- There is a change in the emergency number where you can be reached or change in the emergency contact person,
- There is a known situation affecting your child's physical, emotional or mental wellbeing so that we may work together in the best interest of your child.

## **RELIGIOUS EDUCATION**

In keeping with our intention of developing religious and moral values in accordance with Christian Catholic teachings of the Byzantine Catholic Church, every student participates in daily religion classes that include instruction of safe environment issues. Likewise, in order to make our students more aware of their obligation to show concern for others, they are sometimes asked to give their time and efforts in service for others through various works and projects. They are also called upon to worship at Liturgy on feast days and other special occasions. Each student participates in daily prayer within the classroom community. Opportunities to receive the sacrament of reconciliation are provided at intervals throughout the year and upon request. All students enrolled in our school must participate in our religious instruction program

Parents are also reminded that classroom instruction in religion loses much of its meaning unless it is accompanied by practice and good example at home. Parents are still the primary teachers of their children. We presume that families pray and worship together to give public witness to the faith we possess.

### **Sacramental Program:**

In the Byzantine Catholic Church the Sacraments of Initiation (Baptism, Chrismation and Eucharist) are given together. Therefore, there is no formal First Communion class. Students are still taught the fundamentals in grade two, but receive only the Sacrament of Reconciliation. Those students who have not received the Eucharist, are encouraged to receive in their own parish or make arrangements with the pastor of St. Mary Byzantine Catholic Church.

The same is true for Confirmation. Students are prepared in Religion class to understand the Confirmation or Chrismation they received at Baptism. There is no formal Confirmation class.

### **Safe Environment:**

All students receive instruction on personal privacy, Christian formation on sexuality, and issues of abuse through health and religion curriculums.

## **ADMISSION AND RE-ADMISSION POLICIES:**

St. Mary Byzantine Catholic Elementary School is financially supported through tuition, fund raising and parish support. Therefore, student admission is open first to children of parish members. After parish registration has taken place, others will be accepted in this order: other Byzantine Catholic students, Roman Catholic students, all others on the basis of space available. No discrimination may be made as to race, creed or nationality among non-parishioners.

Those applying for admission must:

1. Seek involvement in leading a true Christian life by faithfully attending Church.
2. Uphold and follow the school policies outlined in this handbook and any updated policies that may become necessary;
3. Support fundraising activities;
4. Pay the stipulated tuition according to the tuition plan agreed upon.
5. Participate in PTU activities.

The education of your child is a partnership between you and the school. If in the opinion of the administration the partnership is irretrievably broken, the school reserves the right to require you to withdraw your child.

*St. Mary Byzantine Catholic Elementary is a private school and admission is on an annual basis.*

## **REGISTRATION:**

### **Initial Enrollment:**

For admission to Kindergarten, a readiness assessment will be given. Even if screening indicates readiness for kindergarten, admission into the school is dependent upon available space and the discretion of the principal.

The student's birth certificate and immunization records must be presented at the initial enrollment. Completing a registration form does not insure a place in our school. Only when the registration fee is paid, is your place secured.

### **Enrollment in Upper Grades:**

Acceptance of students into Grades 1 through 8 will be done on an individual basis according to space available. Each request will be examined as to reasons for transfer, appropriateness of transfer, willingness to adhere to school policies and philosophy. No final decision on admission will be made until all records are received and reviewed. Consideration for enrollment in grades 7 and 8 require an interview with the student and the parent(s).

### **Evaluation:**

If the diagnostic testing done by educational and/or medical professionals determines that the student needs services other than those which can be provided, the student will not be permitted to remain at St. Mary School Byzantine Catholic Elementary School.

### **Educating Students With Special Needs:**

All students are encouraged to participate in the Catholic educational experience and nurtured to reach their potential. The feasibility of accepting any child, into St. Mary Byzantine Catholic Elementary School, will be dependent upon the school's ability to meet the child's educational needs. Reasonable accommodations will be made, if feasible, to include a student with a disability into St. Mary Byzantine Catholic Elementary School.

## **ATTENDANCE ISSUES:**

### **Attendance Procedures:**

In the event of student absence, it is the responsibility of the parent or guardian to notify the school. A call to the school (216) 749-7980 must be made by one of the parents on the day of absence, preferably by 8:45 A.M.

Students must be present for 2 hours to be counted a half-day and must be here until 1:30 P.M. for full day credit.

To get the most of the learning experience, students need to be present and on time. When students are absent or tardy, work can be made up when they return, but it is not the same as being there. Some parts of the learning experience cannot be made up. For each day absent students have one day to make-up their work for full credit. Parents are asked to make doctor or dentist appointments, or take vacations on free days and early dismissal days if possible.

### **Acceptable Reasons for Absence:**

Reasons for excused absence from school:

1. Illness (doctor's excuse could be required in some cases).
2. Illness in the immediate family (with limitations).

prorated for the time they attended the school. Any overpayment will be refunded at the end of the semester.

Students who are awarded a tuition voucher from the Cleveland Scholarship and Tutoring Program or EdChoice Program during the school year will not be reimbursed for any fundraisers they worked before receiving the voucher.

**Parents who do not come into school to sign their voucher checks will be considered to not have paid their tuition.**

**Fees:**

A registration fee is charged per student in addition to the tuition. The registration fee secures your place in the enrollment and is non-refundable.

**Fines:**

Returned checks will be assessed a \$30.00 fee in addition to the amount of the check. If there is more than one instance of returned checks, you will be requested to pay in cash or with money order. Students who do not return or damage school materials will be fined according to the cost of each item (library books, textbooks, technology equipment).

**HEALTH/WELLNESS**

**Medication Policy:**

St. Mary Byzantine Catholic Elementary School cannot administer medication to a student without prior approval and documentation. The intent of this policy is to provide for the safety of your child. We need to be aware of possible side effects or reactions to the medication. In the event of a serious reaction, we want to be prepared. Your cooperation is needed to insure the well being of your child.

It is hoped that a child's medication schedule can be arranged before and after school and, therefore, taken at home. When it is impossible, the proper forms and required information need to be completed before medication may be dispensed to your child.

School personnel are not to administer medication unless absolutely necessary and shall not administer injections. **If a medication prescribed or over the counter (including cough drops), needs to be administered during school hours, both the attending physician and the parent must complete the respective form annually.**

All medication must be sent to school in its original container/packaging.

All medication is to be kept in the school office.

**Health And Accident Procedures:**

A student should not be sent to school if he/she has a fever or complains of not feeling well. Presence in school under such circumstances is unfair to the child, and also exposes the remaining students and teachers to the illness, especially if it proves to be communicable. If you have cause to believe your child should be sent, please call the school and explain the situation.

If your child is sick or is injured, we will make every effort to notify you immediately. Emergency cards are kept on file for this purpose. It is the responsibility of the parents to see that a sick child is picked up from school soon after notification. **It is also up to the parents to keep the information on the emergency card updated.**

**Medical Excuses:**

Students who have limitations or restrictions on their school activity need to bring in a medical excuse from the doctor listing the limitations and for how long it is needed.

**Immunization**

Each student's health and

immunization records must be in compliance

with state law. Students not in compliance will not be permitted in school.

## **ACADEMIC PROGRAM/CURRICULUM**

St. Mary Byzantine Catholic Elementary School offers a curriculum geared to meet the needs of our students in today's world. The main emphasis is on basic skills and religious education. To fulfill the State Minimum Standards in the area of curriculum, we use the graded course of study issued by the Diocesan Education Office.

We utilize fully the space we have available which includes nine classrooms, music room, library, computer room, and gymnasium/cafeteria. Subject areas include: religion (using the "God With Us" Byzantine Catholic series), reading, language arts (English, Phonics, Spelling, Handwriting), mathematics, social studies, science, art, music, computer, health and physical education. ### **Honor Roll (Gr. 4-8):**

In order to qualify for the Honor Roll, a student must have a report card with an average of "B" with no "C", "D", or "F" grades, and the effort and conduct marks must be either "O" or "S". He/she may not have received more than three demerits or one detention and must give evidence of working to ability, cooperation and respect for self and others.

### **Merit Roll (Gr. 4-8):**

In order to qualify for the Merit Roll, a student must have a report card with an average of "C" and effort and conduct marks of "O" or "S". There may be no "D" or "F" grades. Likewise, he/she may not have received more than three demerits or one detention and must give evidence of working to ability, cooperation and respect for self and others.

Honor and Merit Roll are calculated for each individual marking period.

### **Promotion and Retention:**

Consistent with the Ohio Revised Code, it is the principal, after consultation with teachers and parents, who makes the final decision as to the promotion of students.

The principal has the right to determine the number of days a student may be absent before retention is advised. This is done on an individual basis after consultation with all pertinent staff, parents and the student taking into consideration the needs and abilities of the student, and the efforts that were expended to assist the student in continuing the learning process while absent from school.

Retention can be considered for the following reasons:

1. Failure in three or more major subjects. Failure in an individual subject is defined as receiving a grade of "F" for more than two quarters. Daily work should consistently show failing marks.
2. Failure to master fundamental skills of reading in the primary grades.

If a student is recommended for retention, the parent will be asked to sign a Retention Contract. A notation shall be placed in the school records when the child has been passed on to another grade without a successful completion of the current grade placement.

If a parent refuses retention, St. Mary Byzantine School may not readmit the student for the following academic year. If parent refuses to retain the student and he/she does remain at St. Mary Byzantine, the parent is to sign a refusal document which is placed in the student's permanent file.

### **Homework:**

Home study is essential. Parents should encourage their children to complete all homework assignments. The purpose of homework is to foster habits of independent work and study, to reinforce learning that has taken place in school, to bring the home and school together, and to relate school learning to out-of-school interests. Home assignments supplement the daily classroom work, and may include routine practice and drill as well as long range assignments and projects. Signed homework notices must accompany missing homework.

When students are absent, homework will be given when they return to school. This gives the teacher an opportunity to explain it first. No schoolwork will be prepared in advance when a family is taking a vacation while school is in session.

There is no reason for a parent to feel that written work must be assigned every day of each subject. Assignments are determined in the light of the day's lesson and often include quiet study, memorization and preparation for tests.

### **Testing Program:**

At various times throughout the year standardized tests will be given as required by educational governing authorities. Parents will be notified in advance.

### **Homework Hotline:**

St. Mary has available to you a homework hotline that you can access your

child's homework on a daily basis. Also available to you is the School Calendar, Lunch Menu and School Newsletter. Homework is posted each day. Newsletters are posted on Wednesday. School calendar and school menus are usually posted the last week of the month. The website is: [stmarybyzantine.com](http://stmarybyzantine.com). Homework information is available through Gradelock the homework posted is meant to assist the family and is not meant to be all encompassing. Students are to be responsible for knowing homework prior to leaving school.

### **Parent Conferences:**

Parent/Teacher conferences are scheduled two times a year, during the first and third quarters. The teacher or the parent may request individual conferences at any time. A convenient arrangement will be made for such a conference. These conferences should be requested when a problem is first noted. Early mention of difficulties whether between student/student, teacher/student, parent/child or any problem resulting from circumstances in the home, which need to be brought to the attention of a teacher, can prevent the problem from becoming too complicated to resolve. Likewise, a conference may be scheduled just to evaluate progress for parent information.

Teachers welcome contact with parents, but also have multiple responsibilities before and after school. Parents should not expect teachers are available before or after school for a meeting. Parents should always call ahead or stop into the office and check on teacher availability.

Inquiries made with courtesy and sincere interest will always be honored. Anger and impoliteness will not be accepted.

### **CODE OF CONDUCT:**

Discipline is essential to education. We insist that children obey the rules and regulations of the school and ask parents to assist us in carrying them out. Parents who feel that its provisions are not in keeping with their own educational and behavioral objectives are free to transfer students to another school of their choice.

Disciplinary action includes, but is not limited to written or verbal warning, demerit(s), detention(s), behavior contracts, suspension, and/or expulsion.

If a student shows disregard for the conduct code by the repetition of actions for which demerits and detentions were originally given, suspension and/or expulsion may result.

Suspension and expulsion are serious matters. The principal and/or pastor may deem an action by a student so severe that it would result in immediate expulsion from school. This decision is the right and responsibility of the principal and/or pastor.

The following acts of misconduct by a student on school premises, or at any school sponsored activity, shall constitute sufficient cause for disciplinary actions.

*Code of Conduct continued*

Certain actions which would result in bodily harm to oneself or others, or which show a complete ignoring of the philosophy of our school, must require a strong penalty. These actions include but are not limited to:

- Leaving the school grounds without permission
- Stealing, Cheating
- Destroying or defacing school property
- Fighting and/or assault
- Endangering the health or safety of others
- Insubordination

- Speaking disrespectfully or using abusive language, vulgarity or profanity toward school personnel, volunteers, students or visitors
- Disruption of the school environment at school related/sponsored activities
- Possession of, sale of or being under the influence of drugs, alcohol, hallucinogens or controlled substances
- Harassment or sexual harassment
- Tobacco – use, attempted use, possession, sale, attempted sale and/or transmission
- Failure to accept correction or discipline
- Possession or use of weapons or look-alike weapons squirting of shaving cream on others or on property
- Immorality or any acts contrary to Christian principals and the philosophy of our school.
- Persistent truancy

Disregard for any of the above will be handled as follows:

- The pupil will be removed from the classroom setting until a conference with the parents and arrangements made regarding the type of suspension.
- The parents and student will come to school to discuss the matter with the teacher, principal and if necessary, the pastor.
- If it were ascertained that the student is guilty of the offense, suspension or expulsion would result. The suspension could be in-school suspension, but outside the classroom. Lost time would have to be made up, and in certain cases, a parent would have to accompany the Student to class for a specified time upon his/her return.
- After suspension, if actions were repeated, expulsion would result.
- In case of impending expulsion, a conference with the parent, student, Principal and teacher would precede the dismissal.

### **Detentions And Demerits:**

Students may be given demerits for lesser infractions and detention for more serious or repeated infractions. The following are cause for demerit or detention: tardiness or unexcused absence, failure to adhere to dress code, chewing gum, quarrelling, failure to heed the sound of the bell, pushing or other such conduct, running in hallways, stairs or other in appropriate areas, leaving the cafeteria in disorder (or any action indicating lack of good manners in the cafeteria), talkativeness, loitering, failure to complete or do school work or homework (due to behavior choices not capability), throwing snow, ice, etc. and any other failure to adhere to regulations represented in the handbook.

A detention is given for talking or acting disrespectfully to any school personnel, volunteers or any adults working in the school, improper or unbecoming speech, leaving the classroom without permission, disrupting the learning atmosphere through actions requiring school property and other infractions or rules outlined in the handbook or repetition of actions for which demerits were originally issued.

### **Detention Time:**

The teacher issuing the detention or another designated faculty member monitors detention time. The teacher having obtained parental consent will establish the date of the detention. The time will be served as close as possible to the time of the infraction. A detention period runs for 60 minutes. Detention time may be scheduled after school or on a Saturday. During this time the student may be required to do a written assignment, copy parts of the handbook or perform a task suitable to the nature of the infraction. It is the responsibility

of the parent to provide for transportation home in the event of a detention.

If the student accumulates one (1) detention and one (1) demerit in a quarter, that student may not be permitted to participate in a field trip or extra curricular activities.

### **School Building Rules:**

In order to provide a safe and conducive learning atmosphere, the following regulations must be observed:

1. Students are not permitted to leave classrooms without permission.
2. Silence must be observed in the halls, and the stairways during school hours and also when going to the library, cafeteria, gym, music or lavatory and during class exchange.
3. Class exchange should begin with the period bell, and be completed and the next class started within two or three minutes.
4. Running, pushing, fighting and other such behavior are never permitted for reasons of safety and respect.
5. Marking or damaging school property is a serious offense. Repairs, replacement and maintenance are costly. Students will be responsible to pay for any damages to school property that occurs as a result of their mischief or carelessness.
6. Students are not allowed to chew gum in the school building, on the school grounds, or during any program sponsored by the school. Gum left on furniture, on floors, and on the grounds destroys school property and is a health hazard. It also makes maintenance difficult.
7. Students are not to use cell phones without permission.
8. Students are not permitted in any room unless accompanied by a teacher or authorized adult.

### **Playground Rules:**

In order to assure a safe and orderly recess, the following rules are necessary:

- Each class is to play in the area assigned. When the signal is given at the end of recess, students should stop their activity and proceed to line up quietly.
- Students will lose their recess privileges for pushing, fighting, name-calling and other such unacceptable actions.
- No eating is permitted on the playground.
- Students are under the supervision of a teacher and playground monitor during recess. The teacher and/or playground monitor have the authority and responsibility for maintaining order. Students are expected to respect the authority.

### **Leaving the Premises:**

Students may not leave the school grounds at any time during the school day, including lunchtime. Students are not to leave a classroom or assigned area without consent from the teacher unless emergency evacuation.

## **MISCELLANEOUS INFORMATION**

### **Car Regulations:**

#### **In the Morning:**

Pull into the church parking lot using Biddulph entrance only. Drop off your child/children and continue to exit on Stickney Avenue. **DO NOT WAIT AND WATCH YOUR CHILD ENTER THE BUILDING.** This is for drop offs only and traffic needs to flow.

### **At Dismissal:**

Students will be dismissed at the State Road exit. Parents may park in the Chalet lot. Students may not exit by the office doors. The city does provide a crossing guard for crossing at the Biddulph/State Road corner; students should only cross at that corner to get to the Chalet lot.

At no time should one park in front of the school. These regulations are to keep the children safe and the streets clear. These regulations are considered so important, that police will be asked to monitor the area and present citations when violations occur.

### **Emergency Closings:**

Information will be provided in the Newsletter outlining the procedure we will follow in case of inclement weather or other emergency closing circumstances. Please **DO NOT** call the rectory or principal's home for information. These calls tie up the telephone lines and prevent us from forwarding information.

### **Compressed Day:**

There may need to be periodic days when students are dismissed early. Every attempt will be made to give several weeks notice if this needs to occur. Please attempt to make doctor and dental appointments for free days or early dismissal days. On compressed days there is cafeteria service.

If, for some special reason, a child must be dismissed early, a note must be presented to the office and kept by the teacher. Parents coming for their child after requesting early dismissal approval should come to the school office and sign their child out of the building. If someone other than the parent picks up a child, they also must sign out and show identification.

No child will be allowed to leave until a parent or authorized adult comes to pick him/her up.

### **School Supplies:**

Teachers will give students a list of supplies needed. Students are **not** to use white out, large loose-leaf binders, gel pens, permanent markers or carry scissors from home. Student supplies will need to be replenished throughout the year when notified.

### **Electronic Devices:**

Electronic devices such as, but not limited to cell phones, iPods, radios, CD players, game systems and beepers do not have a place in the classroom. They can be a distraction to the learning process and should be left at home. The school is not liable for lost, stolen, or damaged electronics, including cell phones.

### **Phone Calls:**

Students are **not permitted** to make phone calls to parents for forgotten books, homework, gym clothes, permission slips, etc. Organization and responsibility for materials is a quality that needs to be developed early in life.

### **Cell Phones**

All cell phones are to be given to the homeroom teacher upon arrival and collected by the student at dismissal. No student cell phone use is permitted during the school day, or on the school premises.

### **Lunch Program:**

St. Mary Byzantine School participates in the National Hot Lunch Program operated by Diocesan Food Service. Menus are sent home monthly to inform parents as to the foods

offered for that month. Lunch menus are available on the website at: [stmarybyzantine.com](http://stmarybyzantine.com).  
For the 2020/2021 school year all lunches are free to all students.

### **Before School Arrival:**

The first bell rings at 7:45 A.M. and those arriving before that time should use our Latch Key Program where supervision is provided. No supervision is provided before 7:40 A.M.

Students stay in the playground and line up near the first and second grade classroom side of the **building**. **There is to be no running, playing, shouting or ball playing.**

### **After School Pick-Up**

Students must be picked-up at dismissal time. If there is an emergency and the adult picking-up the student will be late, a call must be made to the school. *If a student is not picked-up by 3:00 (unless a call was made in advance), the student will be taken to latch-key and the parent will be charged for the service.* Students will not be permitted to go home with another student unless there is written communication from the parent.

### **Latch Key:**

Before/after school care services are available from 7:00 a.m. to 5:30 p.m. Contact 216-351-8121 for further details.

At dismissal time, all students must exit through the State Road doors. Parents waiting for children who walk may wait in front of the building on State Road.

**\*\*\*\* Parents must always check-in at the school office prior to entering the school premises.**

### **Visitors:**

Anyone who is not a student or staff member is considered a visitor. **ALL** visitors must report to the school office upon entering the building. In order to keep everyone healthy and limit contact with multiple persons, PARENTS WILL NOT BE PERMITTED IN THE SCHOOL BUILDING.

**Weapons and Look-Alike Policy:**

In furtherance of the overall philosophy, goals and objectives of the Catholic educational experience, our policy expressly prohibits the use, possession, sale or discharge of any weapons or explosive devices in the school, on school grounds, or at school-related activities. This policy shall apply to all students, participants in school programs, teachers, administrators, parents and other personnel in the school or parish.

This policy includes, but is not limited to any firearm, weapon, object used as a weapon, knife, deadly weapon, explosive or incendiary device or any look-alike weapons. As defined by state law, a deadly weapon is "any instrument, device or thing capable of inflicting death, and designed or specifically adapted for use as a weapon, or possessed, carried or used as a weapon." (O.R.C. 2923.11A) "An object that is indistinguishable from a deadly weapon is prohibited if a person indicates that he or she possesses the object and further indicates that it is a deadly weapon or the person brandishes or displays the object and indicates that it is a deadly weapon." Firearms shall include any loaded or unloaded gun of any caliber or type.

This prohibition also includes any pistol, rifle or other device that uses air or gas propelled projectiles. Violations of this policy may warrant notification of the police, immediate suspension, and possible expulsion. If possession of a weapon is suspected, the principal or other administrator shall immediately contact the police department. If it is determined that this policy has been violated, the parents of the offender shall be immediately contacted and must cooperate with the disciplinary process.

A model disciplinary process shall include immediate in or out of school suspension, pending investigation and resolution. If the student's infraction does not warrant immediate dismissal, then the parents may be required to sign a probation contract that includes all conditions of the student's retention at the school. Possible terms of this probation agreement may include professional counseling, participating in a community program addressing youth violence, suspension from extra curricular activities and any other conditions deemed

appropriate by the administration of the school.

**Drugs, Hallucinogens and Look-Alikes:**

Controlled substances, alcohol and drug abuse are serious societal problems, which do not respect any group or age, and that the dependency stage of alcohol and drug abuse is a treatable illness. Health and social problems of youth are primarily the responsibility of the family.

As educators in the Church, we in an effort to provide a drug free environment, call ourselves to charity and compassion for the sick and concern for each student. We also recognize that we have an obligation to the common as well as the individual welfare of our pupils. Continuing educational programs for parents, teachers and students convey the message that drugs and alcohol abuse is harmful and usage is not permitted. Prevention programs are implemented to all grade levels. Appropriate sanctions are to be imposed on those who violate the provisions of this policy or any local law or statute concerning illegal substances.

For the complete policy guidelines, contact the school office to see the policy in its entirety.

**Pregnancy Policy:**

Two sets of principles are to be applied in the situation of the adolescent pregnancy in the Catholic school setting. One set of principles applies to the teaching on respect for human life. The second set of principles applies to effective school management.

Together, these two principles flow from the call of the Church to respect human life and dignity, and together, these principles provide one part of the framework to resolve the issues presented when a student, male or female, is involved in a pregnancy in the school setting.

Effective school management is directed to the welfare of all the members of the academic community, since the primary purpose of the school is to provide an atmosphere of learning, and for experience that will contribute to the growth and development of students.

These requirements of effective school management are to be applied to both the male and female individuals involved, though admittedly, these situations will not be exactly the same.

For the complete policy guidelines contact the school office to see the policy in its entirety.

**AIDS Policy:**

Children with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment in Grades K-8 shall be permitted to attend school in regular classroom settings provided:

1. The health of the child, as documented by his/her physician, allows participation in regular academic school activities.
2. The child behaves acceptably; in a manner that would not cause spread of the disease or in any way put others at risk.
3. The child does not have open sores, skin eruptions, or any other condition, which

- prevents his/her control of bodily secretions.
4. There are periodic evaluations of the child's physical condition with written certification from his/her physician allowing continuing participation in regular school activities.

Parents and guardians have the obligation to report to the school administration when any child has been diagnosed as having AIDS, ARC, or other illness caused by HIV.

For the complete policy guidelines, contact the school office to see the policy in its entirety.

## **DOMESTIC RELATIONS**

The following is a summary of the areas of domestic relations law that affect our schools' relationship with parents.

Custody is now "allocation of parental rights and responsibilities for the care of children", "custodial parent" is now "residential parent."

Ohio Revised Code Section 3109.051 (H) and (J) provide that a "non-residential" parent is entitled to access records and student activities under the same terms and conditions as the "residential" parent unless there is a court order limiting that access. If access is limited in any way, it is the residential parent's responsibility to provide a copy of any limiting order.

"Records" for this discussion, are intended to include official transcripts, report cards, health records, referrals for special services and communications regarding major disciplinary actions. It does not include daily work, papers or routine communications sent through the children to the home of residence. In these cases, the residential parent is responsible for transferring this information.

## **Child Custody:**

St. Mary School is finding an increasing number of families experiencing transitions in parental custodial relationships. For this reasons we find it necessary to clarify and re-state the usual procedures followed by the administration and faculty in dealing with parents in such situations.

In two-parent families it is assumed that both parents are living at the same address unless we have been notified otherwise. St. Mary School personnel will, therefore, send home notices, communications, etc. with the child. It is assumed that both parents are communicating regarding the child and that all information is shared by and between the parents. This information includes but is not limited to conference appointments, report cards, mid-quarters, discussions with school personnel and tuition statements.

In families experiencing separation of parents or pending divorce, the above information will be sent home with the child to whichever parent has care of the child. It is assumed that this information is shared by the parents and between the parents. Since this situation frequently impacts on the child's achievement and interactions at school, parents are asked to inform both the principal and teacher of this fact so that appropriate support can be given to the child. St. Mary School personnel cannot proceed on hearsay, rumors, or demands of a parent, but only with the appropriate documentation detailed below.

In cases of an actual divorce decree involving clear custody by one parent, the principal is to be informed by the residential parent of this fact. A copy of the entire decree bearing the case number and the final page bearing the judge's signature is to be submitted to the principal. Unless the decree indicates otherwise, the school communications will be sent home to the residential parent. Residential parents should understand, however, that unless the divorce decree specifically limits the non-residential parent's right to access to records, the non-residential parent has the right to the same access as the custodial parent. We will, unless instructed by a Court Order, release such records upon request to the non-residential

parent. "Records" includes official transcripts, report cards, health records, referrals for special services, and communications regarding major disciplinary actions. It does not include daily classwork and papers, or routine communications sent through the children to the home or residence. In these cases the residential parent is asked to cooperate with the school and share this information directly to non-residential parent. This avoids time-consuming duplication of services.

Further, you should realize that unless restricted by Court Order, any non-residential parent has the right to attend any school activity of their child, which includes sport activities and class programs. Parents should keep each other informed as to these activities to avoid duplication of communications and to allow the school to better attend to the duty of teaching your children.

In cases of joint custody (shared parenting agreements) entitling both parents access to school personnel and activities, it is assumed that one copy of communications and information will be sent home with the child and that it will be shared by and between the parents.

Regarding parent conferences in all custody situations: It is preferred and will be the general procedure that one conference appointment be scheduled "jointly" if both parents are to be present. It is assumed that parents are able to set aside differences and to come together on behalf of their child for this time. A joint conference further insures that both parents are given the same information at the same time, thereby avoiding misunderstanding and misinterpretations.

In cases where joint conferences are clearly neither possible nor desirable by all parties involved, alternate arrangements may be discussed with the principal, subject to the approval of both parents and further reviewed by St. Mary School's legal counsel. Every effort will be made to keep communications open with both parents while at the same time avoiding duplication of services and excessive demands on the teacher's time.

Visitation should be at the home of one of the parents and not at school. It is hoped that visitation arrangements would reflect the sensitivity of both parents to the consistency and routines that foster security in a child, and allow for school responsibilities and homework to be taken care of during the school week.

If there are questions concerning this re-statement of procedures or circumstances you feel necessitate other arrangements, please contact the principal personally.

These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation, and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees. The Acceptable Use Policy (“Policy”) is intended to minimize the likelihood of such harm by educating the School’s students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

**Definition of school technology system:** The school systems and networks (collectively, “System”) are any configuration of hardware and/or software whether used on or off school property. The System includes, but is not limited to, the following:

General school rules for behavior and communications apply. It is expected that users will comply with school

standards and the specific rules set forth below as interpreted from this policy, whether on or off of school property. A student is personally responsible for his/her actions in accessing and utilizing the school's computer resources in accordance with Student Code of Conduct and may be subject to discipline for misuse of the System.

**Access to communication system:** Access to the school's electronic communications system, including the Internet, shall be made available to students for educational and instructional purposes. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.***

***Modification of Computer: Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited and may result in discipline and/or the revocation of access to the System.***

5. **Face Masks and Coverings.**

All students in grades 3 and up are required to wear face masks throughout the school day as well as when being transported to and from school on the bus unless the student is unable to do so for health, safety, developmental, or practical reasons. Students are permitted to wear face shields in the following circumstances: (1) where cloth masks might present a safety hazard (for example, in a science lab); or (2) where the student has difficulty wearing a cloth face covering verified by a note from the student's parent or legal guardian. Students in K through 2nd grade are also to wear face masks or shields, taking into consideration each student's development and tolerance for wearing a mask. Face masks or coverings shall be worn by all students if and when required by any law, regulation, or governmental order. To be effective, face masks should cover the nose, mouth, and chin of the student and should be made of cloth. Parents and guardians are

expected to talk with their child about the importance of wearing masks and to instruct the child on the proper wearing of a mask.

6. **Students who become Sick at School.** A student who, while at school, develops a fever of 100°F or greater or exhibits any one or more of the symptoms of COVID-19 (not including anything that the school administration reasonably believes to be unrelated to illness, such as seasonal allergies, or isolated incidents of coughing or sneezing) may not remain at school and must be picked up and taken home at the earliest opportunity. Such students will be immediately directed to a designated spot to be isolated from others except for the staff designated to monitor and care for such students until they go home. In the case of a suspected or confirmed COVID-19 case, the school will call the local health department to report the matter and obtain guidance. Any student who has a suspected or confirmed case of COVID-19 may not return to school until such student meets the CDC's criteria for returning to school. Others who may have been potentially exposed will be notified in accordance with the directives or advice of the local health department.

### **COVID-19 POLICY ACKNOWLEDGEMENT AND ASSUMPTION OF RISK**

We, the undersigned parent(s) and student(s), acknowledge and agree that, as a student/students at St. Mary Byzantine Catholic Elementary School ("School") and as parent(s) of that student, entering the school or being on the School's premises, having personal contact with teachers, classmates, and other School staff, involves a certain degree of risk, namely of parent(s) and/or student acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the close proximity of students, teachers, and staff, there is an elevated risk of students contracting the disease simply by being in the building, on the premises, or at any School function. The same is true for parent(s) of a student at the School.

By signing below, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any healthcare professional(s) of our choosing, we voluntarily and willingly accept those risks and acknowledge that returning to in-person classes and other in-person School functions at the School is the choice of each family, including ours. If student or parent(s) who visit the School have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a health care professional before student or parent(s) return to the School, attend any School function, or visit the School. Moreover, we acknowledge that while adherence to safety and precautionary measures (which may include social distancing guidelines, facemasks, hand washing, etc.) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and death remains despite all efforts to reduce that risk. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s) while at the School or any School function, including possible infection with COVID-19.

We further acknowledge, understand, and agree that we have obligations to the School, its faculty, students, and others to take certain precautions and make certain disclosures to prevent the spread of communicable diseases such as COVID-19. Specifically, we agree to comply with this policy and all other School rules and requirements relating to communicable diseases such as COVID-19, including rules relating to whether or under what circumstances students, parents, and family members may come to the School or attend School events.
